

The IZ Home Brew Club invites you to join a great group of local home brewers and beer enthusiasts for some great conversations and some even better beer! Our meetings are an outstanding way to meet new people, young and old, who have come together for great companionship, a helping hand, and a wealth of knowledge in the world of beer. The IZ Homebrew Club is open to anyone 21 and over, military or civilian, regardless of brewing experience.

One can experience beers from around the world, dark or light, fruity or Sour, Malty to Super Hopped IPA's. Meetings consist of presentations regarding beer styles, the various brewing processes, Judging and Competition guidelines, the historical aspect of beer, and include tastings of commercial examples and/or Homebrews made by our own members. There is no limit to the imagination of what a Home Brewer can do with a little knowledge and the right equipment. One will never look at beer the same after receiving a taste of just a few home brews. Additionally, as a member of the IZ Homebrew Club you will have the opportunity to travel with us to a Commercial Microbrewery such as COOP Alewerks in Oklahoma City to spend the day brewing craft beer on the large scale (7.5 BBL Brewhouse) – much bigger than the normal 5 Gallon Homebrew batch... and a great learning experience as well!

Meetings are scheduled for 1800 hrs at the Impact Zone Club - Bldg 3265 on Crane Road (behind the AFFES Movie Theater on Sheridan Road) See the back side of this flyer for the 2014
